

## Irrigates the Blood Knocks Rheumatism

A Remedy That Flushes the  
Blood from Head  
to Foot.

To get rid of rheumatism requires that the blood be completely flushed—not a mere neutralized as by salts and pain killers. The long record of S. S. S. is important to know. It has found its way into every section of the nation. It is the most widely used and most widely talked-of remedy there is for all blood troubles. And it is a known fact that rheumatism is primarily a blood trouble.

It is considered by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression. In still others it is the effect of some vitiated blood condition, having been treated with mercury, iodides, arsenic, and other poisonous mineral drugs.

The recoveries of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural curative of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well retained as the most acceptable, most palatable and most readily digested food. Do not fail to get a bottle of S. S. S. today, but better upon S. S. S. Don't accept a substitute. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist, confidentially write to the Medical Dept., The Swift Specific Co., 536 Swift Bldg., Atlanta, Ga.

## QUIT MEAT IF YOUR KIDNEYS ACT BADLY

TAKE TABLESPOONFUL OF SALTS  
IF BACK HURTS OR BLADDER BOTHERS.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative passages clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back, or the urine is cloudy full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

## 500 CHAUTAUQUA TICKETS FOR SEASON IS MARK SET

COMMITTEES EXPECT TO DIS-  
POSE OF THIS NUMBER  
AMONG LOCAL FOLKS.

With the opening date of the first annual Chautauqua in Pendleton less than a week away, the local committee in charge are making an effort to dispose of the large number of season tickets on hand so that when the opening day arrives the worry will be over.

The local association has agreed to set rid of 500 season tickets and if they are not sold the association will have to go into its collective and individual pockets for the balance.

The committee offers the following "sheet of good reasons" why the Chautauqua should be supported.

"Because in no other way can our people obtain so much pleasure, entertainment and information at so little cost.

"Because our citizens want the best, need the best, deserve the best and appreciate the best of all good things.

"Because it gives us the means of keeping in touch with the progress of the age and the trend of human thought.

"Because, working hand in hand with church and school, it is today one of the most helpful and inspiring educational movements of the age.

"Because in no other way it is possible for most of us to see, hear and know the wits, poets, humorists, entertainers, interpreters, philosophers, statesmen and orators of the day.

"Because it inspires men to a greater and better manhood, women to a nobler and sweeter womanhood, and young people to grander effort.

"Because it is better to bring the good things of the world to your own door, where your neighbor may also enjoy them, than to selfishly seek them elsewhere."

## KEENE APOLOGIZES FOR POLO TEAM CRITICISM

NEW YORK, June 28.—Foxhall P. Keene in a statement published severely criticized the playing of the American polo team in the game with the English team at Meadow Brook.

Mr. Keene later sent out a statement in which he said:

"Mr. Foxhall P. Keene desires to express his regret for having indulged on Saturday evening last, in a talk with a newspaper man, in an ill-tempered and undeserved criticism of the members of our polo team and of the Polo Association which was published in the New York American of the 14th inst. Mr. Keene felt at the time deeply chagrined at our defeat by the English team, and was thereby led to make statements which he now admits to have been unkind and unwarranted.

"If, upon any other occasion, Mr. Keene has made any statement derogatory to or in criticism of any person or organization connected with the international polo contest he sincerely regrets and retracts it."

## NEW "SIAMESE TWINS" IN FRANCE TO BE CUT APART

PARIS, June 26.—Surgeons are looking forward with curiosity to a separating operation on two babes, Anne Marie and Marie Anne, born May 22 in a French village, joined together back to back, being united in the lumbar region.

In medical language they form a "monster pygospa" and differ from the case recently operated by Dr. Le Fillatre, which was known as a xiphopagus, the infants being joined face to face at the abdominal region, as were the famous Siamese twins.

A radiograph was taken of the children.

Mercy hospital, Eugene, will build a \$15,000 training school.

## HERE'S A TOWN THAT OWNS ITS OWN RESORT

CONNEAUT, Ohio, June 29.—The little city of Conneaut with only 9,000 inhabitants and lying forty miles east of Cleveland on Lake Erie has "out-municipaled" municipal Cleveland. This quiet little port claims the distinction of being the only municipal summer resort in the country.

Every night hundreds of men and women leave the wharves and glass factories to enjoy a municipal swim at the municipal beach, to eat a municipal meal or to sleep in a municipal bed at the municipal hotel. If they wish they can dance at the municipal dance hall or ride in the municipal roller coaster.

And Sunday they can see a baseball game played by municipal teams. For twelve years Conneaut saw its resort which had been purchased at a cost of 12,000, mismanaged and run down by private individuals to whom it had been leased. Last fall D. W. Brace was elected mayor and S. W. Mahaffey director of public service on a socialist ticket. Brace had been a railroad conductor and Mahaffey a day laborer. The first thing Brace and Mahaffey did was to clean up the park so that it might become a real place of rest for people of small means. That they succeeded was shown in the first warm days of June when people had to be turned away for lack of room. Enlargement of the resort is planned for next year.

Court Sees Eggs Tested.

PORTLAND, Ore., June 27.—A dark session was held in a closet in District Judge Bell's court, while an expert "candled" eggs to show the court the difference between Chinese eggs and the product of the Oregon ranches. The outcome of the candling and the testimony was that John C. Sherod was found guilty of passing off Chinese eggs as the Oregon ranch goods. Judge Bell imposed the minimum penalty, a fine of \$25.

E. L. Fyhrle, who has a stall in the Yamhill Sanitary Market, complained that four cases of Oregon ranch eggs, which he bought from Sherod Ranch Egg company June 15, were "adulterated with Chinese eggs."

Duncan A. McIntyre, superintendent of the Townsend Creamery company, was the expert called by Deputy District Attorney Pierce to do the candling. State Chemist Wells and others also contributed of their knowledge of oriental eggs.

Clackamas county will establish a sand and gravel pit at New Era.

Children that are affected by worms are pale and sickly and liable to contract some fatal disease. WHITE'S CREAM VERMIFUGE expels worms promptly and puts the child on the road to health. Price 25c per bottle. Sold by all dealers.—Adv.

The manufacture of logan berry juice and sawdust briquettes are new industries being considered in various parts of the state.

What the Press Agent Has to  
Say of Present and Coming  
Attractions.

### Orpheum.

For Tuesday's change one of the funniest Vitaphone reel comedies shown in a long while is "Too Many Husbands." Featuring Sidney Drew and Jane Morrow.

Arthur's uncle refuses his consent to be and his ward Dorothy's marriage. So he angrily writes and tells his uncle he is already married. Uncle is delighted and decides to take Dorothy and visit him. Arthur gets the people with whom he boards to help him and Mrs. Brown poses as his wife while Mr. Brown is supposed to be a border. But the scheme is badly upset when Arthur and Dorothy slip off and get married anyway and uncle finally forgives them.

"Her Neighbor's Next Door." Biograph, featuring Louise Vale and Franklin Ritchie. Louise did not see her sweetheart after that fatal voyage last years later. He had been lost among a tribe of savages on a desert island while she had hidden herself from the world in a distant city. Unexpectedly Louise saved her lover's life and they are happily reunited.

"The Missing Jewels." Kalem, featuring Irene Boyle and Robert Ellis. A most interesting story of the loss and recovery of a valuable necklace.

### Pastime—Monday Only.

In keeping with the excellent motion picture service being secured by the Pastime comes the announcement from our exchange that our feature for Monday will be "The Lure of the Pit," a Lubin special release in two parts, featuring Harry C. Myers and Rosemary Theby. The story is of John Mantion, who is ambitious to reform social conditions. He visits the slums and there meets Edith, daughter of John Strong, a Wall street man. Their aims in life being akin it is natural that they fall in love. Kivalda, an old clock maker, is the confident and adviser of both. John is a grain specialist and agrees with Kivalda that much suffering and poverty is caused by the operations of "the street." John and Edith are married. Strong presents his son-in-law with a seat on the exchange. Here John's views are changed, the fever enters his veins and he becomes money mad. He effects a corner on wheat. The price of bread rises and the poor suffer. Edith's wife pleads in vain. How John's honor is saved by Edith although he is wrecked financially makes a fitting ending to a big picture.

"The Ladies' War." Vitaphone, featuring Cissy Fitz Gerald, Jane Fearnley and Antonio Moreno. Too much cook and too many dresses, are the cause of all the trouble. They overthrow the opposition and peace reigns supreme.

"How Lone Wolf Died." A Kalem Indian drama that is different.

### Com—Monday and Tuesday.

Bernardo and Filides have a good line of comedy songs and stories for these two days. Mr. Bernardo's yodeling is especially fine and their original fantasy, "The Miser's Dream," is very pleasing.

Tracy and Carter have a fine singing act with some new and funny jokes mixed in. Their character songs are unusually good.

"The Voice at the Telephone." Two reels Broncho. This is the concluding two reel installment of this exciting story. The "Third Degree" is used by the police on Richard to force him to confess but he is cleared by the telephone girl who heard the voice of the real criminal over the phone.

"The Bardeen." Majestic. Irene Hunt, Eugene Palette, Sam De Grasse and Little Fay Brerly in a beautifully told story of devotion.

A Keystone comedy also on this bill.

### WHO ATTEMPTED TO ROB TONY PEYTON?

Double Mystery is Solved in "Mrs. Peyton's Pearls," at Alta Today.

Tony Peyton is found unconscious with his mother's pearl necklace clutched in his hand. The victim absolutely declines to shed light on the mystery. He in turn is the intended victim of a robbery by the father of the girl whom he, in his intoxication has tried to degrade. The ultimate end is gripping as well as convincing, to say the least. Carlyle Blackwell and Neva Gerber, the winsome new photo-star, have the leads.

George Ade, America's greatest humorist, has entered the "movie" game with one of his "Fables in Slacks" entitled "The Brash Drummer and the Nectarine." It is produced by the Es-

say with Wallace Berry and Beverly Bayne in the title roles.

"A False Move." Vitaphone comedy. (Nuf sed.)

If you have the itch, don't scratch. It does not cure the trouble and makes the skin bleed. Apply BALDWIN'S SNOW LINIMENT. Rub it in gently on the affected parts. It relieves itching instantly and a few applications removes the cause thus performing a permanent cure. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.—Adv.
